

BECOME A PAID ENERGY CHAMPION

HOME ENERGY ADVICE TASKFORCE

Help your community cut their energy bills

Learn new energy efficiency skills & knowledge

Get paid £25 per visit!

All training is provided and can upskill you into the energy sector

Ensure your neighbours' homes are warm in winter & cool in summer

Help the 68% of Surrey residents who rate it 'extremely' or 'very' important to take action on nature and climate by providing practical advice and solutions

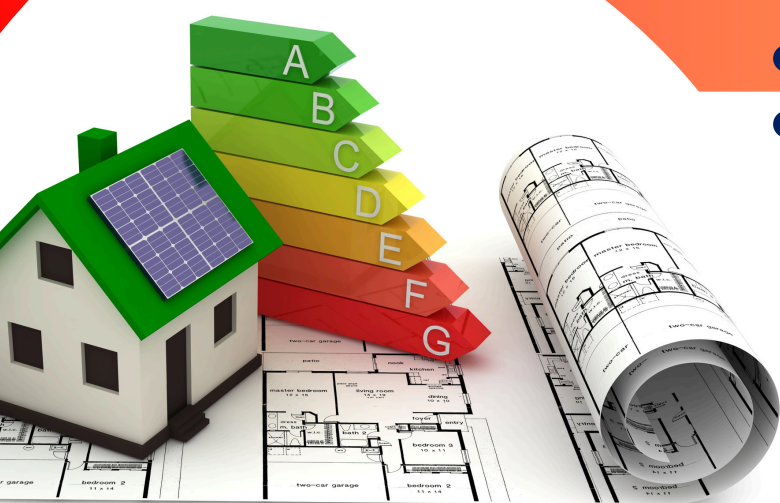

To find out about our next training course and what you need to do, email us at:

energysurveys@zerocarbonguildford.org

This project is part of the Local Energy Advice Demonstrator project with Surrey County Council

GET A FREE HOME ENERGY SURVEY
